

## Advantage Credit AutoPay Program

Thank you for choosing to participate in Advantage Credit's Autopay program. This program will automatically transfer your Advantage Credit (hereafter mentioned as ACI) payment from your financial institution (hereafter mentioned as BANK) to ACI on the date specified on your invoice. Each transaction is recorded as a deduction on your BANK statement. Detailed invoices will be made available through Advantage Online, notifying you of the debit amount, date of transaction, and related charges.

### Authorization Agreement for AutoPay Program

I (we), the undersigned, authorize and request ACI to initiate electronic debit entries or use any other commercially accepted practice to charge my (our) account indicated below in the BANK named below. I (we) authorize and request BANK to honor the debit entries initiated by ACI and debit these charges to that account. This authorization relates to all payments required on my (our) ACI account identified below and the related membership agreement. It also covers changes in amounts and payments due because of additional agreements between me (us) and ACI that relate to the membership agreement. This authorization will remain in effect until all amounts owed are paid in full, or until I (we) cancel this authorization. To cancel, I (we) must notify ACI in writing far enough in advance to give ACI reasonable opportunity to act.
