

New features and benefits of Advantage Online™!

In response to some valuable feedback received from our customers, we've made some upgrades to Advantage Online. Check out this upgrade which allows additional settings for report printing preferences to help you customize the look and feel of your credit report. Listed below are the newly added printing preferences.

New Report Printing Preferences:

Print Lines Between Tradelines

Under the settings tab in Advantage Online, you can choose the option of adding a thin line in between each tradeline for more clarity.

Print Account Status Code

You can select the option to view the account status code which tells you if the account is delinquent or in collections.

Print All Reported Bureaus

This option allows you to see which other bureaus are reporting the account.

Print Letter ECOA Codes

View whom the account belongs to by letters indicating B for borrower, C for coborrower, and U for unknown.
