

Customers pulling through Fannie Mae are now setup for GMAC-RFC's AssetwiseSM!

If you're setup with Fannie Mae through Advantage Credit, you can now use Assetwise! You can take any Advantage Credit tri-merge report and submit it into Assetwise just by entering your Advantage Credit report number, or you can select Informative Research from Assetwise to receive your report. You can also access your report directly in Advantage Online, making us your one-stop shop!

Why using Advantage as your Assetwise provider is good for your business:

- Assetwise charges a processing fee for every new loan approval request submitted, even if the loan approval is denied. By ordering an Advantage report first, you can determine if a borrower qualifies for the Assetwise program before submitting for a loan approval request.
- Advantage tri-merge reports are generally less expensive than either Fannie Mae or Assetwise reports and can be reissued in both their systems. Ordering an Advantage tri-merge report first can save you money!

If you're not setup for Fannie Mae with Advantage Credit or have any questions about Assetwise, simply call technical support for quick, easy set-up and training at 800-600-2510, option 6.

\$2 CreditXpert™ ...Have you tried it yet?

We hope you've had the opportunity to experience CreditXpert. There has never been a better time to order this great new product. Advantage Credit processed a **FREE** CreditXpert report supplement with every report you ordered from September 22nd through the 30th, and they can still be viewed through Advantage Online! We are now providing this report at the low price of \$2.00 per bureau through 12/31/03. It's not too late to take advantage of this great deal that can help you close more loans! CreditXpert suggests to your borrowers how to raise their credit scores and even shows how many points could be added by taking recommended actions.

Example of a CreditXpert recommendation:

"Transfer \$1,714 of the balance on your BANK ONE-OHIO account (#4266*****) to your WELLS FARGO BANK account (#4465*****). This action will give you an increase of approximately 18 to 21 points."

How do I review my CreditXpert reports?

Click on the borrower's name to go to the report summary screen. Simply select the CreditXpert report under the **View Supplements** section shown at right.

How can I add CreditXpert to my future reports?

CreditXpert can be ordered as a supplement with your credit reports from Advantage Online. It can also be ordered as an add-on to an existing credit report. For convenience, CreditXpert can even be paid for with the borrower's credit card on Advantage Online.
