CreditXpert™—A great new scoring tool available on Advantage Online!

A tool that shows you how to improve a borrower's score...got it!

CreditXpert is a tool developed to help your borrowers understand their credit score and identify opportunities for score improvement, thus helping you build stronger customer relationships, generate more referrals and ultimately close more loan!

CreditXpert generates a score which mimics the FICO scoring models, identifies individual tradelines which positively or negatively affect the score and offers suggestions to the borrower for actions to improve their score and the potential impact of these actions

Credit Xpert can be ordered with your credit reports on Advantage Online You can also order it after the credit report order is placed. Credit Xpert can even be paid for with the borrower's credit card on Advantage Online Services.

Contact Technical support for easy instructions to access this exciting new product Try it now and see how it can help you close more loans!
